

## SMOKY MOUNTAIN MUSTANG CLUB

### COVENANT

The Smoky Mountain Mustang Club (SMMC) is an incorporated nonprofit organization to preserve and promote the Ford Mustang from the initial models manufactured in mid-1964 through the present. The SMMC shall strive to share information and technical knowledge about the Ford Mustang among its members and the general public. The SMMC will sponsor, participate and promote various public displays, excursions and car shows which display Ford-powered vehicles, particularly the Mustang, for SMMC members and general public viewing enjoyment. The SMMC has been chartered by the Mustang Club of America to serve the East Tennessee region of Campbell County, Anderson County, Roane County and Morgan County.

As a nonprofit the SMMC will also strive, in addition to promoting the legacy of the Ford Mustang, to identify volunteer activities during the year that benefit the local region and/or selected local charities. The SMMC will also provide monetary donations to local charities as club finances allow.

The members of SMMC shall respect the opinions and beliefs of all its members and strive to develop a family oriented atmosphere in all its planned activities.

## ABOUT

### SMOKY MOUNTAIN MUSTANG CLUB

The SMMC has been chartered by the Mustang Club of America to serve the East Tennessee region of Campbell County, Anderson County, Roane County and Morgan County. We are proud to have members from not only Jacksboro, Oak Ridge, Harriman, Clinton, LaFollette and Wartburg, but also Knoxville, Lenoir City, Cleveland, Maryville and Kodak, Tennessee. In addition, SMMC has members in Alabama, South Carolina, Colorado and Virginia.

SMMC is a strong supporter of charities, such as the Smoky Mountain Lions Charities, East Tennessee Children's Hospital and the Second Harvest Food Bank. To raise money for these charities, SMMC has scheduled two car shows in 2017. The first show is the Annual Mustang and Ford Powered Show and Shine held at Jerry Duncan Ford Lincoln in Harriman, TN on April 22, 2017. SMMC also has plans for a MCA Regional Show to be held on September 16, 2017 in Oak Ridge, TN. The Regional Show will be followed by a "Pony Run" on the Devil's Triangle on September 17, 2017

SMMC strives to have Mustang related activities that appeal to all members. We recognize that not all members will want to do every activity, but we hope that with a variety of events all of the members will find a few that they enjoy. Click on the "Photos" tab at the top of the page for examples of SMMC activities in 2016. Our activities may span days or might only be a few hours. In 2017 we have plans for a

multi-day trip to the MCA National Show in Pensacola, Florida, and a three hour volunteer session at Second Harvest Food Bank.

Many of the SMMC members maintain and restore their own cars. Are you looking for a technical source to help you resolve an issue with your Mustang? There is probably an SMMC member that has been through the same problem and can tell you what works and what doesn't.

For those interested in entering shows at the National level, SMMC has members that can help you get started. Although SMMC is not a large club, five members are MCA Gold Card Judges and one member is an MCA Assistant National Head Judge.

Do you want to spend time with people that have a passion for Mustangs? SMMC may just be the club for you!
